Today, it's not just what you eat, but where you eat it. At Ted's Montana Grill, our passion is in the preparation. At our Classic American Grill, everything is fresh-made from scratch, just as you order it. No freezer. No microwaves. No boil-in-the-bag. No pretense. We use only "source verified" all-natural beef, bison and chicken. And in keeping with co-founder Ted Turner's focus on the environment, we are an eco-friendly establishment. The menus are printed on 100% recycled paper, we use only aluminum and glass, and even our cups are made from corn.

At Ted's Montana Grill, we do our part to help preserve the environment so you can eat great and do good.

For more information, check out our website at TedsMontanaGrill.com.

Finally, thanks for not smoking here.

*Note: We are required to inform you that the consumption of raw or undercooked foods such as meats, seafood, and eggs, which may contain harmful bacteria, may cause serious illness or death.
